Deaf Literacy Initiative is proud to offer these indispensable Workforce Literacy resources; the first ever developed by the Deaf and DeafBlind Stream. These resources were developed in response to the need to increase the efficiency of access to workforce learning materials for the Deaf and Deafblind stream practitioners. Having this accessible workforce literacy resource in place will allow learners to have access to materials to prepare for employment.

Deaf Literacy Skills for the Workplace/Workforce series was made possible with funding from Ontario Ministry of Training, Colleges and Universities (MTCU).
