

Deaf Literacy Skills for the workforce

Learners' Workbook

**Deaf Literacy
Initiative**

Tip!

It's easier to remember if you use your own words without copying from the dictionary.

list	product	extension	receptionist
customer	manufacture	representative	pension

Example:

Word: _____ list _____

What it means: a written record of objects or things to do.

Use it in a sentence: I have to make a list of things to do today at work.

Where would you see some of these words?

b) Sharing Ideas in ASL

There is often more than one way to express ideas in ASL.

Discuss the different ways in which the words from **Activity a) Word Search** can be shared in ASL.

Do this with your classmates or instructor.

 **Stop and ✓ Check**

Can you explain these words in ASL without looking at what you have written?
If you're not sure, please go back and check the words again with your instructor.

Do the same exercises with the following sets of words.

service	support	warehouse	payroll
directory	provide	department	human resources
leisure	depot	float	organize
automotive	portable	appropriate	invoice
apparel	repair	tidy	schedule
accessory	compress	sufficient	memo
